Take the tour

To celebrate the opening of NTH FITZROY, a residential building in inner-city Melbourne, property developer MILIEU asked designer FLACK STUDIO to decorate one of its 26 apartments for an open-home event. The project boasts architecture by FIELDWORK and greenery by LOOSE LEAF, but the ultimate style flourish came from Flack Studio's bold interiors, which combine VINTAGE Italian furniture with contemporary ART bursting with ENERGY. For more house tours and interior inspiration, visit VOGUELIVING.COM.AU.
